Hon. W. St. John Garwood  
Associate Justice of the Supreme Court  
Austin, Texas

Dear St. John:

It was really a pleasure to get your good letter of 31 December and I want you to know that I am looking forward to seeing your son. I understand he has phoned my office for an appointment and we are arranging a mutually agreeable time.

Allen Macy is staying at Chestnut Lodge which is located just a few miles from Washington. His progress is slow but it is comforting to have him nearby so that Clover and I can see him frequently and he generally comes to us over the weekends.

With all best wishes to Ellen and you from us both.

Sincerely,

Allen W. Dulles  
Director
